## STANDARD DRY 20FT or 40FT CONTAINER

Shipping containers provide an economical, portable and secure storage solution for both commercial and personal use. They are resistant to wind, water and vermin and are perfect for both temporary and permanent on-site storage.

### GENERAL USES ARE:

- Secure and portable storage on construction yards and building sites
- Temporary site barrier including uses for noise control
- Tool sheds
- Farm storage and culverts
- Personal effect storage
- Vehicle storage
- School sports and general store rooms
- Advertising hoardings
